GENERAL QUIZ FORMAT

This quiz consists of three questions. No partial credit will be assigned. On each of the questions one can earn a maximum of one point. Please work without the aid of notes, books, calculators, computers and other people.

1. **TF Question:** This question consists of two or three sub-questions. (Each of the two or three answers must be correct in order to receive credit [1 pt.] for the question.) For each of the two or three sub-questions fill in the blanks with a T (true) or an F (false) as appropriate.\(^1\)

2. **Definition Question:** This question consists of one or two sub-questions. (Each of the one or two answer(s) must be correct in order to receive credit [1 pt.] for the question.)\(^2\)

3. **Proof Question:** This question consists of one proof.\(^3\)

---

\(^1\)All TF questions come directly from the TF list posted for the specific quiz.

\(^2\)All definitions that may be asked are listed on the Quiz # Reference.

\(^3\)All proofs that may be asked are listed on the Quiz # Reference.
